VII The Collector of South Kanara has recommended the name of Sri. K. Chandrayachari, an unreserved candidate, belonging to Back-ward Hindu community, for inclusion in the approved list of deputy Tahsildars. The Board has examined his claims on a competitive basis. It is of the opinion that he deserves inclusion in the list. It accordingly requests that the Government may be pleased to relax the provisions of rule 7 a(i) of the M.R.S.S Rules in his favour so as to enable it to include his name in the list of Deputy Tahsildars. Relevant extracts from the Collector's report and the Board's file are enclosed.

14. Remarks.

(i) Summary of the record in the personal file. From the beginning he has got an excellent record. After he picked up little experience, he did very good work as Revenue Inspector. Mr. Ramadass on 9-3-45, Mr. Ghulam Mahmood, Mr. Rama Varma Raja, Mr. Saunders and Mr. Kaiwar have written very brilliant remarks about him. I particularly gree with Kaiwar where he has stated "I agree with Saunders". He is a very competent and very conscientious fellow, intelligent, well above the average and very hard-working. For a short time he worked as Election Deputy Tahsildar and he showed marked abilities and executive capacity, but unfortunately, he is just overaged by a few months. He has passed testsbefore he completed the prescribed age limit. One strong point in his favour is that he is a backward community man.

(ii) Grounds of recommendation:- In view of his very brilliant record and in view of his passing the tests before the prescribed age limit and in view of the fact that he is a member of the backward community, his case deserves special consideration. I therefore recommend that the Board may be pleased to address the Government to relax the age rule in his case and approve his name and include his name in the Deputy Tahsildar's list.
